Subject: Servicing Smardt (formerly PowerPax) Oil-Free Chiller Technology

To Whom it May Concern,

Smardt advise that Turbochill Services Pty Ltd has been a Smardt certified service provider in oil-free technology since 2016.

During our association, Turbochill Services has expertly trained its service mechanics in our oil-free technology. Their factory trained technicians are more than capable of dealing with all systems and controls associated with Smardt products and associated technologies.

Turbochill Services has been one of our reputable Service Providers and we would not hesitate on recommending their services to any customers who require their expert advice, servicing or maintenance on our oil-free chillers and products.

Please don't hesitate to contact the writer directly on (03) 9761 7905 if you have any further questions or queries regarding Turbochill Services abilities and performance.

Yours sincerely,

Brendan Vos

Acting General Manager
